

**NOTICE OF PUBLIC HEARING  
DIVISION FOR AIR QUALITY  
PROPOSED REGULATORY AMENDMENT**

The Kentucky Energy and Environment Cabinet will conduct a public hearing on May 26, 2016, at 10:00 a.m. (EDT) in Conference Room 201B of the Division for Air Quality at 200 Fair Oaks Lane, 1<sup>st</sup> Floor, Frankfort, Kentucky. This hearing will be held to receive comments on the following proposed regulations:

**401 KAR 51:010.     Attainment status designations**  
**401 KAR 53:010.     Ambient air quality standards**

The proposed amendment to 401 KAR 51:010 amends the description and attainment status of areas in the Commonwealth of Kentucky with respect to the National Ambient Air Quality Standards (NAAQS). The amendment to 401 KAR 53:010 will update the regulation to reflect the most recent NAAQS.

This hearing is open to the public and all interested persons will be given the opportunity to present testimony. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing are also provided in written form, if possible. It is not necessary that the hearing be held or attended in order for persons to comment on the proposed regulatory amendments. If no request for a public hearing is received by May 19, 2016, the hearing will be cancelled, and notice of the cancellation will be posted at <http://air.ky.gov/pages/publicnoticesandhearings.aspx>. Written comments should be sent to the contact person and must be received by close of business on May 31, 2016.

The Energy and Environment Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.

Any individual requiring copies may submit a request to the Division for Air Quality in writing, by telephone, by FAX, or e-mail. Requests for copies should be directed to the contact person. The proposed regulations can be accessed at:
